Dear Gopal,

The 3rd IEEE Norbert Wiener in the 21st Century conference takes place from 23-26 July 2020 at Anna University, Chennai India. This year's theme is "Being Human in a Global Village."

The submission deadline has been extended to 20 March 2020.

IEEE 2020 Conference on Norbert Wiener in the 21st Century

Join us at SSIT's cool and quirky conference on Norbert Wiener, founder of cybernetics (cyberspace, cyborgs, cybernetic art) and information ethics.

We invite paper submissions that consider Wiener's work from perspectives across applied, physical and social sciences, as well as the humanities, fine arts, and professional/industry practice.

For more information on submission instructions, visit the conference website or the EasyChair CFP.

Looking forward to seeing you in Chennai in July!

Sincerely,
Prof. T.V. Gopal, Conference Chair
